The Day Henry metTM A Dog

Written and illustrated by
Gilly

One day, Henry met a dog.

Hello Dog!

Hello
Henry

Dog, why are
you so sad?

I'm sad because I don't
have a best friend.

I wish I could find someone...

who makes me laugh,
who shares with me
and who plays with me.

Oh, I'll never find
a best friend around here.

That gives me a great idea!

We could become
wildlife explorers.

And we could
explore the jungle
to find me
a best friend.

Let's Go!

Hello Snake!

Hello Henry,
hello Dog.

Hello Henry,
hello Dog.

Hello
Gorilla!

Hello Tiger!

Hello Henry,
hello Dog.

Henry tells jokes, pulls faces
and makes Dog laugh.
Dog thinks Henry is hilarious.

Dog loves her adventure
in the jungle with Henry, but ...

I think the jungle is a bit too
hot and sticky for me, Henry.

Maybe it's time we went
on a different adventure?

That gives me
a great idea!

Let's Go!

We could become astronauts!

And we could blast off into outer space to find me a best friend.

Hello Henry,
hello Dog.

Hello
Space
Station!

Hello Planet!

Hello Henry,
hello Dog.

Hello Moon!

Hello Henry,
hello Dog.

Dog is hungry,
so Henry makes a picnic on the moon,
and shares his favourite food with her.

Cheese + Crackers

Dog loves her adventure
in outer space with Henry, but . . .

I think outer space is a bit too
big and empty for me, Henry.

Maybe it's time we went
on a different adventure?

That gives me
a great idea!

We could become
deep sea divers.

And we could dive
under the sea
to find me
a best friend.

Let's Go!

Hello Submarine!

Hello Henry,
hello Dog.

Hello whale!

Hello Henry,
hello Dog.

Hello Octopus!

Hello Henry,
hello Dog.

Henry finds a treasure chest
at the bottom of the sea, and it's
filled with the most amazing things.

Toys + Games

Dog loves her adventure
under the sea with Henry, but ...

I think under the sea is a bit too
wet and cold for me, Henry.

Maybe it's time we went
on a different adventure?

Sorry Dog,
I'm all
out of ideas.

But I'm sure you'll find someone

who makes you laugh,

who shares
with you

and who plays with you.

Just then
Dog realised something . . .

Henry is her
Best
Friend!

I wonder what adventures
Henry and his new best friend
will get up to next?
